U.S.A. vs. Brock Vanallen Williamson

Docket No. 5:05-CR-194-1BR

Petition for Action on Supervised Release

COMES NOW John A. Cooper, probation officer of the court, presenting a petition for modification of the Judgment and Commitment Order of Brock Vanallen Williamson, who, upon an earlier plea of guilty to 18 U.S.C. §§ 922(g)(1) and 924, Possession of a Firearm by a Convicted Felon, was sentenced by the Honorable W. Earl Britt, Senior U.S. District Judge, on June 13, 2006, to the custody of the Bureau of Prisons for a term of 33 months. It was further ordered that upon release from imprisonment the defendant be placed on supervised release for 36 months under the standard conditions adopted by the court and the following additional conditions:

1. The defendant shall participate as directed in a program approved by the probation office for the treatment of narcotic addiction, drug dependency, or alcohol dependency which will include urinalysis testing or other drug detection measures and may require residence or participation in a residential treatment facility.
2. The defendant shall abstain from the use of any alcoholic beverages, shall not associate with individuals consuming alcoholic beverages, shall not frequent business establishments whose primary product to the consumer is alcoholic beverages, and shall not use any medication containing alcohol without the permission of the probation office or a prescription from a licensed physician.
3. The defendant shall consent to a warrantless search by a United States Probation Officer or, at the request of the probation officer, any other law enforcement officer, of the defendant's person and premises, including any vehicle, to determine compliance with the conditions of this judgment.
4. The defendant shall cooperate in the collection of DNA as directed by the probation officer.

On May 4, 2011, the Court amended the conditions of supervised release by imposing the following conditions:

1. The defendant shall participate in mental health/sex offender treatment, evaluation testing, clinical polygraphs and other assessment instruments as directed by the probation officer. While under supervision in the Eastern District of North Carolina, the defendant shall further abide by the rules and regulations of the NCE Sex Offender Program.
2. The defendant shall comply with the registration requirements of the Sex Offender Registration and Notification Act of 2006, as directed by the Bureau of Prisons and the probation officer.

3. The defendant shall submit to a search of his person, house, residence, vehicle, papers, computer, other electronic communication or data storage devices or media, and effects at any time, with or without a warrant. The search may be conducted by any law enforcement officer or probation officer with reasonable suspicion concerning a violation of a condition of supervision or unlawful conduct by the person, and by any probation officer in the lawful discharge of the officer's supervision functions.

Brock Vanallen Williamson was released from custody on June 10, 2011, at which time the term of supervised release commenced.

RESPECTFULLY PRESENTING PETITION FOR ACTION OF COURT FOR CAUSE AS FOLLOWS:

On January 21, 2012, Williamson was stopped by the N.C. Highway Patrol in Columbus County, while operating a motor vehicle without a valid N.C. Driver's License, and Driving While Impaired. He registered a .08 Blood Alcohol Content, and was released on a personal recognizance bond. He has a pending court date in Columbus County District Court on April 4, 2012. Mr. Williamson immediately reported this incident to the probation office as required, and claimed he only consumed two beers. He further reported that he was called by his daughter to come pick her up because she was stranded and needed a ride. Williamson realizes that he did not use good judgment, and should not have driven without a license or after consuming alcohol. Therefore, it is recommended the court continue supervision, but modify the conditions by requiring him to serve 60 days on Home Confinement with electronic monitoring.

The defendant signed a Waiver of Hearing agreeing to the proposed modification of supervision.

PRAYING THAT THE COURT WILL ORDER that supervised release be modified as follows:

1. The defendant shall abide by all conditions and terms of the home detention program for a period not to exceed 60 consecutive days. The defendant shall be restricted to his residence at all times except for pre-approved and scheduled absences for employment, education, religious activities, treatment, attorney visits, court appearances, court obligations or other activities as approved by the probation officer. The defendant shall wear an electronic monitoring device and follow electronic monitoring procedures specified by the probation officer. The defendant shall pay for electronic monitoring services as directed by the probation officer.

Except as herein modified, the judgment shall remain in full force and effect.
